**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

The Board of Trustees present their annual report for the year ended 31 December 2023, together with the audited financial statements for the year which are also prepared to meet the requirements for a directors' report and financial statements for Companies Act purposes.

The financial statements comply with the Charities Act 2011, Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting for Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

**PURPOSE AND ACTIVITIES**

**Charitable purposes**

These are:

- The promotion of any charitable purposes for the benefit of the community in the county of Cornwall and the Isles of Scilly and in particular the advancement of education, the protection of good health, both mental and physical and the relief of poverty and sickness.
- Other exclusively charitable purposes in the United Kingdom and elsewhere which are in the opinion of the Trustees beneficial to the community including those in the area of benefit.

**Public benefit, aims and objectives**

The Charity complies with the public benefit requirement through its grant making programmes. We want Cornwall & the Isles of Scilly to be a great place to live for everyone - a place where people work together to address disadvantage and build strong, resilient communities.

Our mission is to inspire local giving to meet local needs. We aim to make sustainable funding available to address disadvantage and build strong communities by promoting effective philanthropy.

We have three strategic priorities:

- To increase substantially the funds at our disposal;
- To deliver an efficient and effective grants programme;
- To be at the core of the voluntary sector in Cornwall.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities and setting the grant making policy each year.

The grant making programmes are wholly directed at supporting community groups within Cornwall and the Isles of Scilly.

The Charity's fund development work is aimed at ensuring the funds continue to be available in the future so that income can be generated to continue to support the above groups for the benefit of the residents in the county.

In addition to the guidance from Charity Commission and the Fundraising Regulator the Trustees have also used the Charity Governance Code as their frame of reference.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**STRATEGIC REPORT**

**Review of achievements and plans for the future (incorporating Chairman's Report)**

In 2023 the Cornwall Community Foundation (CCF) had another record year and distributed £2,967,394 to 686 community projects and individuals. The CCF was established 20 years ago and during that time the CCF has awarded £19 million to more than 8,000 community projects all across Cornwall and the Isles of Scilly.

At the end of 2023 CCF's assets totalled £13,946,603 (an increase of £823,561 in the year), of which, total funds held and managed in the CCF's endowment was £10,072,061. The financial objective of the CCF is to maintain at least the real value of the assets while generating a growing income to fund grant making. The investment objective of the CCF is to produce the best financial return from its endowment within an acceptable level of risk.

Our fund development aims to substantially increase the funds at our disposal by prioritising endowment; encouraging annual contributions; increasing the contribution from local businesses and individuals based in and beyond Cornwall. Our Friends membership scheme had 369 members at the end of 2023 and Foundation Friends responded very generously to our appeals.

Several new funds were established in 2023, including a Mental Health Fund for Young People established by the NHS Cornwall and Isles of Scilly Integrated Care Board (ICB) which distributed £300,000. The fund was hugely oversubscribed with a total requested of £800,000 and we were able to distribute a further £106,719 from some of our other funds managed by the CCF. In partnership with Cornwall Voluntary Sector Forum we distributed a further £145,000 funded jointly by NHS Cornwall & Isles of Scilly Integrated Care Board (ICB) and Public Health. This new fund - the People in Mind Fund - was match funded with £50,000 by the Sedel-Collings Foundation.

We are very grateful to Cornwall Council for their partnership on distributing £400,000 from the Household Support Fund. These grants reached some of the most vulnerable people in our communities through our Cost of Living Crisis Fund and our Surviving Winter Fund. During 2023 we received £106,457 from the Devon and Cornwall Police to support projects to reduce crime and anti-social behaviour with grants from the Police and Crime Commissioner's Community Grants Scheme, the Chief Constable's Fund and the Police Property Act Fund.

The Cornwall Social Enterprise Fund allocated £388,649 in 13 grants giving a significant boost to employment and development in the social enterprise sector.

We are very pleased to be working with the Trustees of the Sedel-Collings Foundation, the Clare Milne Trust, the Caledonia Investments Charitable Foundation, the Quies Trust, the Carew Pole Charitable Trust and Cross Country Trains on distributing grants in Cornwall. Without their significant funding, communities would have been more exposed to the cost of living crisis.

The renewable energy community funds distributed more than £200,000 in 2023, including the Goonhilly Fund that distributed £64,920 in the TR12 area and Helston. The Manor Farm Solar Fund generously supported 11 local groups with grants totalling £41,980.

The Cornwall Christmas Fair, kindly hosted by the Eden Project, raised a record-breaking £79,500, smashing through the £1 million total since the Fair began. We are very grateful to the Fair Committee for their dedicated work on this wonderful event.

The Worval Foundation helped young people by distributing £100,731. The Young & Talented Fund distributed £58,090 to 43 gifted young people.

Our Business Club awarded a total of £37,142 to 11 community projects in 2023. Many of our business supporters helped us beyond their membership fees, including the Headland Hotel, the Budock Vean Hotel, Lillicrap Chilcott, Savills Estate Agents, JB Estates Ltd, Rodda's Creamery and St Austell Printing Company.

**CORNWALL COMMUNITY FOUNDATION  
(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

We are dedicated to adhering to the highest fundraising standards and have registered with the Fundraising Regulator. Our ambition remains to increase our endowment and to respond to the need appropriately. We are committed to meeting the increasing demand on funding by bringing together people who want to help Cornish communities with projects that make a real difference.

We aim to work more closely with professional advisors to support their clients' charitable goals. We offer similar support to corporate donors who have an interest in the local community and are interested in putting their corporate social responsibility into practice.

Almost all income generation activity is undertaken by CCF Trustees and staff or on our behalf through introductions made by our network of contacts. We also connect to potential donors and partners through networking and by raising our profile through communications.

We will not:

- use direct marketing, telephone, doorstep or on-street fundraising;
- use professional fundraising agencies to raise income on our behalf; or
- share information about donors or supporters without their express permission.

The CCF maintains records of all complaints received and during the year received no complaints on its fundraising activities.

We are delighted to distribute another record amount of grant funding to community projects all across Cornwall and the Isles of Scilly. However the ever increasing demand on our funds highlights the increasing need in Cornwall. The rise in the cost of living and high inflation presented a very challenging year for our communities. We couldn't have helped so many people without the generosity of our donors. I would like to thank our Board of Trustees for their dedicated work and expert guidance, and our staff and volunteers for all their hard work in making Cornwall and Isles of Scilly a better place for one and all.

**Kim Conchie DL, FRSA**  
(Chair of Trustees)

Date: 25 July 2024

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**Financial review**

The total income for the year was £4,123,239 (2022: £6,165,164). Total expenditure was £3,529,770 (2022: £2,865,822), giving net incoming movement in funds for the year of £823,561 (2022: £2,540,874 after investment gains of £230,092 (2022: losses of £758,468)).

At the year-end total Charity funds were £13,946,603 (2022: £13,123,042). This consisted of endowment funds of £10,479,106 (2022: £10,072,161), restricted funds of £2,679,347 (2022: £2,473,165) and unrestricted funds of £788,150 (2022: £577,716).

**Investment powers and policy**

Under the Memorandum and Articles of Association, the Charity has the power to make any investments which the Trustees see fit. The Trustees regularly review internal financial information to ensure their financial position is such that it is adequate to provide sufficient resources to perform the Charity's objects in all types of conditions and to act accordingly. The Trustees have reflected on the need to balance risk and return on its reserves and have decided to maintain a balance between equity investments and interest bearing accounts.

**Grant making policy**

The Charity considers applications for funding support on a regular basis. Applications are reviewed against specific criteria and the amount granted is based on available funds.

**Reserves policy**

It is the Trustees' view that it is prudent to accumulate free reserves to be able to cover anticipated administration costs to sustain its operations, during any period when income generating activities may temporarily cease. The Trustees therefore consider that reserves should be held to finance at least nine months of budgeted operating costs which is approximately £510,038.

At the year end the unrestricted fund was £788,150 (2022: £577,716) of which funds of approximately £237,944 have been earmarked by the Trustees for a number of projects to aid the future development of the Charity. The level of reserves held is closely monitored by the Trustees.

**Structure, Governance and Management**

The Cornwall Community Foundation is constituted as a company limited by guarantee and was incorporated on 1 July 2003 and registered as a Charity on 10 October 2003. The Charity is administered by a Board of Trustees which meets a minimum of three times a year. A Chief Executive, who is not a Trustee, is appointed by the Board to manage the day-to-day operations of the Charity.

**Recruitment and induction of Trustees**

Suitable candidates are selected by the existing Trustees and invited to become Trustees. New Trustees are invited to the CCF office for an induction meeting with the Chief Executive and the team in order to gain further understanding of the operations of the CCF. In addition, all Trustees are invited to attend the Grants Committee meetings. Trustees are also invited to training opportunities such as conferences and training courses to deepen their understanding of the context for the network of Community Foundations.

**Pay policy for senior staff**

The pay of the senior staff is reviewed annually. In view of the nature of the Charity, the Trustees benchmark against pay levels in other similar organisations.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**Related parties**

None of the Trustees receive remuneration or other benefit from their work with the Charity. Any connection between a Trustee or senior staff member with a grant recipient or supplier of the Charity is disclosed to the Board of Trustees in the same way as any other contractual relationship with a related party.

In the current year no such related party transactions were reported.

**Risk assessment**

The Trustees have assessed the principal risks and uncertainties to which the Charity is exposed and have established systems to mitigate those risks. The principal financial risk is a loss of income through falling donations and investment performance. This is monitored to ensure expenditure is kept within the funds available. This is an ongoing procedure and is subject to regular review.

A risk assessment is carried out annually as part of the CCF's Quality Assurance accreditation, covering all aspects of the Charity's activities and scored according to probability and impact. Remedial measure is taken where required.

The Trustees' Report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, and signed on its behalf by:

**CORNWALL COMMUNITY FOUNDATION  
(A COMPANY LIMITED BY GUARANTEE)**

**STATEMENT OF TRUSTEES' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees and signed on its behalf by:

**Mr Kim Conchie DL**  
(Chair of Trustees)  
Date: 25 July 2024

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CORNWALL COMMUNITY FOUNDATION**

---

**OPINION**

We have audited the financial statements of Cornwall Community Foundation (the 'charitable company') for the year ended 31 December 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**OTHER INFORMATION**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CORNWALL COMMUNITY FOUNDATION  
(CONTINUED)**

---

**MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We have considered the nature of the sector, control environment and financial performance;
- We have considered the results of enquiries with management and Trustees in relation to their own identification and assessment of the risk of irregularities within the Charity; and
- We have reviewed the documentation of key processes and controls and performed walkthroughs of transactions to confirm that the systems are operating in line with documentation;
- We have identified any matters having obtained and reviewed the Charity's documentation of their policies and procedures relating to:
  - Identifying, evaluation and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
  - The internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- We have considered the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CORNWALL COMMUNITY FOUNDATION  
(CONTINUED)**

---

As a result of these procedures, we have considered the opportunities and incentives that may exist within the organisation for fraud and identified the highest area of risk to be in relation to income recognition, with a particular risk in relation to year-end cut off. In common with all audits under ISAs (UK) we are also required to perform specific procedures to respond to the risk of management override.

We have also obtained an understanding of the legal and regulatory frameworks that the Charity operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the Charities Act 2011, Charity SORP 2019, FRS 102 and the terms and conditions attaching to material grants received by the Charity. In addition, we considered the provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the Charity's ability to operate or avoid a material penalty. These included the Fundraising Regulator, employment law, data protection, UK tax legislation and health and safety.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Performing analytical procedures to identify unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- Reviewing Board meeting minutes;
- Enquiring of management in relation to actual and potential claims or litigations;
- Performing detailed transactional testing in relation to the recognition of income, specifically grants, with a particular focus around year-end cut off; and
- In addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgments made in accounting estimates are indicative of potential bias; and evaluating the business rationale of significant transactions that are unusual or outside the normal course of business.

We also communicated identified laws and regulations and potential fraud risks to all members of the engagement team and remained alert to possible indicators of fraud or non-compliance with laws and regulations throughout the audit.

As a result of the inherent limitations of an audit, there is a risk that not all irregularities, including a material misstatement in financial statements or non-compliance with regulation, will be detected by us. The risk increases the further removed compliance with a law and regulation is from the events and transactions reflected in the financial statements, given we will be less likely to be aware of it, or should the irregularity occur as a result of fraud rather than a one-off error, as this may involve intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditors' Report.

**CORNWALL COMMUNITY FOUNDATION

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF CORNWALL COMMUNITY FOUNDATION  
(CONTINUED)**

---

**USE OF OUR REPORT**

This report is made solely to the charitable Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable Company's Trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable Company and its Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**CORNWALL COMMUNITY FOUNDATION  
(A COMPANY LIMITED BY GUARANTEE)  
REGISTERED NUMBER:04816191**

**BALANCE SHEET (CONTINUED)  
AS AT 31 DECEMBER 2023**

---

The Charity was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the Charity to obtain an audit for the year in question in accordance with section 476 of the Companies Act 2006.

However, an audit is required in accordance with section 144 of the Charities Act 2011.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

**Mr Graham Clarke**

Treasurer

Date: 27 July 2024

The notes on pages 17 to 45 form part of these financial statements.

The notes on pages 17 to 45 form part of these financial statements

**1. GENERAL INFORMATION**

The company is incorporated as a company limited by guarantee and does not have share capital. In the event of the company being wound up each member is liable to contribute a sum not exceeding £10 towards the debts and liabilities of the company and the costs, charges and expenses of winding up. There were 13 members at 31 December 2023 (2022: 16).

**2. ACCOUNTING POLICIES**

**2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Cornwall Community Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 GOING CONCERN**

The Trustees have prepared budgets and forecasts which give them adequate comfort that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

**2.3 INCOME**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Charity, can be reliably measured.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

## **2. ACCOUNTING POLICIES (continued)**

### **2.4 EXPENDITURE**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

### **2.5 INTEREST RECEIVABLE**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

### **2.6 GIFT AID**

In the case of a Gift Aid payment made within the Charity, income is accrued when the payment is payable to the Charity under a legal obligation. Measurement is at the fair value receivable, which will normally be the transaction value.

Where the right to receive Gift Aid has been established, the amount receivable is recognised within donation income in the Statement of Financial Activities.

### **2.7 TANGIBLE FIXED ASSETS AND DEPRECIATION**

Tangible fixed assets costing £2,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following basis:

Office equipment	-	33% straight line
------------------	---	-------------------

**2. ACCOUNTING POLICIES (continued)**

**2.8 INVESTMENTS**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

Investments held as fixed assets are shown at cost less provision for impairment.

**2.9 DEBTORS**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.10 CASH AT BANK AND IN HAND**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.11 LIABILITIES AND PROVISIONS**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**2.12 FINANCIAL INSTRUMENTS**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.13 OPERATING LEASES**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

**2.14 PENSIONS**

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

**CORNWALL COMMUNITY FOUNDATION  
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023**

**2. ACCOUNTING POLICIES (continued)**

**2.15 FUND ACCOUNTING**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds include a permanent endowment fund which is to be held permanently and only the income from it is used for charitable activities. Expendable endowments are primarily held to provide income but the trustees also have the option to spend the fund capital on charitable activities.

Investment income, gains and losses are allocated to the appropriate fund.

Cash in hand	<u>2,667,233</u>	<u>3,181,869</u>

**20. ANALYSIS OF CHANGES IN NET DEBT**

	At 1 January 2023 £	Cash flows £	At 31 December 2023 £
Cash at bank and in hand	<u>3,181,869</u>	<u>(514,636)</u>	<u>2,667,233</u>

**21. PENSION COMMITMENTS**

The Charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the Charity in an independently administered fund. The pension cost charge represents contributions paid by the Charity to the fund and amounted to £14,685 (2022: £11,682).

Contributions totalling £1,843 (2022: £1,881) were payable to the fund at the balance sheet date and are included in creditors.

**22. OPERATING LEASE COMMITMENTS**

At 31 December 2023 the Charity had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2023 £	2022 £
Not later than 1 year	10,880	10,290
Later than 1 year and not later than 5 years	20,047	8,641
	<u>30,927</u>	<u>18,931</u>

**23. RELATED PARTY TRANSACTIONS**

During the year, the following income was received from Trustees:

Membership income from Trustees £1,670. No amounts outstanding at the year end.

Fundraising event income from Trustees £1,010. No amounts outstanding at the year end.

Donations from Trustees £30,527. No amounts outstanding at the year end.

In 2022, the total amount donated to the Charity by Trustees was £11,358. No amounts outstanding at the year end.

**CORNWALL COMMUNITY FOUNDATION  
(A COMPANY LIMITED BY GUARANTEE)**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**24. CONTROLLING PARTY**

The Charity is controlled by the Board of Trustees.
