About Cornwall Community Foundation

Behind the holiday playground you see in photographs, Cornwall is the poorest county in England, with many disadvantaged and isolated communities, extreme child poverty, youth unemployment and associated mental health issues. These needs are often unseen but are very real.

At Cornwall Community Foundation, we believe in a positive Cornish life for all, free from poverty and social isolation. Our aim is to change people's lives for the better by helping local communities. We want Cornwall & the Isles of Scilly to be a great place to live for everyone - a place where people work together to address disadvantage. Donors trust our expertise to direct funds to those grassroots organisations and initiatives which will make a big difference to the lives of those in genuine need, reaching vital projects that might not otherwise survive. Since 2003 we have grant awarded more than £20 million to over 8,000 community projects. In 2023 we grant awarded close to £3 million.

We manage charitable funds on behalf of local individuals, families, companies and public agencies. Many of our funds are invested in endowment, which is currently valued at £12 million. We also manage flowthrough (non-invested) funds for the Integrated Care Board, the Police and Crime Commissioner for Devon & Cornwall and Cornwall Council.

Our friendly and committed [Team](#) of 12 is hybrid working, two days a week from our office (moving to Bodmin in November 2024). We have an active and engaged Board of [Trustees](#) who meet four times a year and several committees who meet throughout the year. This role offers a fantastic opportunity for personal development, networking and experience building working alongside our committed team and experienced Trustees.

Job Purpose
